October 20, 2021

Dear Brothers,

It is with great anticipation that I look forward to our special week of activity with your congregation, **November 30-December 5, 2021**. Toula and I are eagerly looking forward to being with you again and enjoying an interchange of encouragement with you all. (Rom 1:12)

Please begin preparing now to get the most out of our week together. Prayerfully examine your schedule to see if you can expand your ministry, or perhaps even auxiliary pioneer the month of the visit. Could you, or at least one member of your household pioneer during November or December? Remember that for the month of the visit, you can choose to pioneer for either 30 or 50 hours. Additionally, all auxiliary pioneers for the month of the visit have the privilege of attending the meeting for the pioneers.

The visit will begin with the talk *“Jehovah Loves Those Who Love His Son,”* on Tuesday evening. We will discuss what we must do to respond to Jehovah’s love and how to show our love for Jesus now. The public talk entitled *“Can Love Conquer Hatred?”* will help us and interested ones understand how Jehovah promises relief from hatred, how Jesus proved that love can conquer hatred and how love will soon conquer hatred completely. The final talk on the weekend will have the theme, *“Jehovah’s Word Can Never Fail.”*

The songs we will sing during the week are *20, 106* and *119*. Please practice these songs in advance of the visit, for example during family worship.

What a blessing from Jehovah this arrangement is, reminding us that he is the giver of “every good gift.” (James 1:17) Please make it your aim to benefit fully from this special week of activity as we unitedly serve our God Jehovah “shoulder to shoulder.” (Zeph. 3:9)

Toula and I send you our warmest love and greetings.

Your brother,

*Darin Heinz*
